## EASTERN LEAGUE HOLDS MEETING

The Eight Cities are well Represented  
—Provisional Charter Drawn  
up—Several Important  
Matters Settled

Montreal, Feb. 8.—A meeting of the Eastern Baseball League began here yesterday. The delegates attending the meeting were:

Rochester—C. T. Chapin.  
Newark—Joe McGinnity, Thos. Martin.

Providence—President: Crowley, Jimmy Collins.

Toronto—J. J. McCaffery, Joe Kelly.

Buffalo—Jacob Stein, Wm. Smith, Baltimore—Jack Dunn, E. Daniels.

Jersey City—Walter O'Meara.

Mt. Pleasant—C. J. Kieckhefer, S. E. Lichtenstein, E. R. Carrington, T. H. Cushing.

The first session was devoted entirely to a consideration of changes in the constitution. Several changes were adopted, and, with the constitutional points settled, the league will take up today the schedule for the 1910 season. Three schedules have been drawn up by President Powers. Publication of the one to be adopted will be deferred to a week from Sunday when it will be released from the head office of the league in New York.

The salary limit question was not touched, but it is regarded as practically dead.

The chief amendments to the constitution include a change, whereby no club can use a player for five games without his signature to the official document.

Owing to the complaint of the other clubs about the free list in Buffalo the number of passes in all cities is limited to fifty. The visiting clubs are to get a percentage of all free tickets exceeding this number.

After four months of the playing season have expired no player can be sold to another club of the same league.

Waivers secured in the off season are only legal until the regular season starts.

A penalty of \$20 and forfeiture of the entire share of the gate receipts is provided for teams leaving the field in the progress of a game.

Another amendment provides for the holding of the annual meeting in New York one day before the date of the annual National League session.

Last night the delegates were given a banquet at the Windsor Hotel, by the owners of the Montreal Club. President Powers' schedule as drafted found little opposition, though the clubs have a week or more to find objection to dates before the final adoption. The opening dates, according to the draft, are:

At Montreal—Jersey City on May 6.

At Toronto—Baltimore on May 9.

At Baltimore—Rochester on April 20.

At Providence—Toronto on April 21.

At Jersey City—Montreal on April 21.

At Newark—Buffalo on April 21.

Sir: I notice that Pitcher Spade has signed with Cincinnati, although last year he insisted that he would never play with them again. How can Spade have the heart to perform on the Diamond with such a Club, I hope this suits you.

## MERITS OF SPIT BALL

The New Manager of the Chicago White Sox says that the Slippery Ball is the Easiest to Catch

Billy Sullivan in Sporting News: "It's much easier to handle a spitter than a plain everyday curve ball. In all the years I have caught the spitters I have never suffered any injury to my hands. In fact most of my hurts have come from curve balls lobbed across the plate by Doc White. If I had ten pitchers I would like to see them all using the style of delivery that made Ed. Walsh famous. While in the east two years ago I found a well-defined movement on foot among catchers and club managers to abolish the spit ball. I was asked for a suggestion, the other catchers hoping to hear some remedy for what they termed a growing evil. I was quick to fight for the retention of the moist ball. So long as our club was winning and staying at the top of the league race I could see no reason why such men as Walsh and Smith should be crowded out of the game. There's no denying that the White Sox pitchers rank well on top among the men of the league. It's an old, old story around the circuit that when the Sox are scheduled to play any of the eastern clubs the papers of those cities will print large headlines, calling attention to our pitching staff. There's where the eastern cities are at fault. For I think the White Sox have something more than a pitching staff. Take a look at our fielding averages individually or as a team. The spitters don't interfere with our fieldwork. The spit ball is going to stay in the American League for many years. A lot of the other clubs are fast turning to its use. But why the management of New York club ever turned Joe Lake adrift is a mystery to me. I always have considered Lake is one of the coming pitchers of this particular style in the country. He should have a corking season if Jack O'Connor can whip any kind of a club into line at St. Louis next season."

## EDMONTON BALL TEAM IS BEING RAPIDLY SIGNED

Deacon White has Many Good Men on his List for 1910

### "CHIEF" BENDERS BROTHER IS HERE

A Contract has been Sent to Harry Burridge—Wessler and Kid McClair of the '07 Team are Signed—Team to Have New Uniforms—Preparations are Being Made for a Huge Minstrel Show in the Early Spring

Though the snow is still on the ground the dyed in the wool baseball fan follows his mind to wander to thoughts of the summer game. In his mind's eye he imagines himself seated on the soft side of the bleachers, on a balmy June evening with coat off and sleeves rolled up. Chesty Cox is romping up and down the line, his left leg kicking the air in a "Eight or six." Barnstead is in the box and striking out the opposing batters in one two three order, but then, he comes to himself, hears the sleigh bells outside and laments that it is about four months before Attorney-General Cross will have over the first fall of the season.

But there is one man to whom the baseball season has already opened and that is Manager Deacon White. Some people imagine a baseball manager's life is a bed of roses, but it is far from that. The winter months are spent in following up reports of "phenoms" who are reported "ripe for faster company."

Then when they have this man working to the point of signing John Hancock to the contract along comes some "Billy O'Brien of Renfrew" and by putting up a little more money, secures the prize.

Deacon has been busy

But Deacon has not been idle. The team which finished up the season for Edmonton was a joke. There were about five real players on the team and their usefulness was completely buried under the sins of omission of their teammates. Deak reserved the whole lunch but made up his mind that the men to be kept should just be Burridge, Kelly, Grady, Brennan, Barnstead and probably Stirling. This left some big holes in the line-up and thanks to the efficient hustling and gamboozle work a team is now signed up, which, along with several men yet to be heard from, will make its presence felt in the league race of 1910.

Those signed-up are:

Burridge—This player needs no introduction. Edmonton fans know his ability as a receiver. He is a magnificent catcher, deadly pegger to bases and a very fair batter.

Copeland, Chicago, will alternate behind the bat. He was with Des Moines, Iowa, in the Western League, a class A organization for a short time in 1908. In 1909 he captained and managed Atchison, Kansas. Copeland is a big fellow, good hitter, strong thrower, and what's more, has Brockville and will be unable to play as he is still suffering with a sore eye. Renfrew will probably play Patrick rover, Whitcroft and Miller on the wings, and Roberts and Ridgway will be assured a hard fight. Special trains will be run from Brockville, Kingston, Renfrew and Montreal. All the dollar seats are sold and one of the biggest crowds ever seen at the Arena is assured. Renfrew will have the advantage on Ottawa owing to their trip north. The Ottawas will go on the ice without practice. Speculators are busy with tickets and getting as high as five dollars for some seats. Ken ice is promised, which favors Renfrew.

Kelly will play first sack in case the deal with Lussi does not go through. Even though Lussi should report, Kelly will be retained on the payroll as he is too good a pinch-hitter to be sacrificed.

Brennan, Wessler and Mills will occupy the other three positions in the infield. Wessler played here in 1907 and was a peacherino. Mills is another comer and Deacon considers him a sure sale at the end of the season. He weighs 175 lbs. and is a left handed sticker though flinging with his right. Mills stings the ball hard and once on the bases causes the opposing

team a lot of worry as he is a veritable Ty Cobb when it comes to pursuing sacks.

McNeill—With Brandon last season, will covet around one of the pastures. He bats left handed, throws right-handed, and is the fastest sprinter in the league, despite his weight of 175 pounds. He hit over 300 for Grand Rapids last summer, which is a point or two higher than any of Dinny McCreary's gardeners.

Dan Reilly, Vermont, considered by Grady, the superior to any outfielder in the League will be another feature on the team. Dan is a professional sprinter with a mark of 10 flat for the hundred yards dash. He is a right hand batter and is liable to unwork a hit at any moment. His speedy work in the field and on the bases will catch the fancy of the fans.

Paddy Moran will be kindly remembered by Edmontonians. He was called home last season when just getting into his stride, by family sickness and did not return. Deacon has his sign contract and will give him a thorough workout. Paddy was a sensational fielder and though a little weak with the willow, is liable to develop into a slugger.

Deacon has written many heart to heart letters to William Lussi, well known in Edmonton and there is a strong probability that he may wear a local uniform next season. Billy is a really, truly batter and hit for 350 last year in his league.

Brother of a Celebrity

John Bender, a brother of the famous "Chief" Bender of the Philadelphia Athletics, may see with this season. He is an old college mate of the Deacons' and writes that he would like to come north as the climate of the south does not agree with him. Bender played last year in the south Atlantic League and is still under contract for Charleston though on the suspended list. In 1907 and '08 he led the Northern League with a mark of 340 sold for both years. He is an Indian, and like his illustrious compatriots Soxklesley and "Chief" Bender, takes to baseball like a duck to water. Batting left handed and with two hundred pounds of brawn behind it, he has certainly done travel when he makes connection which is so frequently as to seem a habit.

The New Uniforms

It will no longer be "The Wearing of the Green" when our boys step on the diamond. We had a peek yesterday at the sample of cloth for the new suits and the only thing to be feared is that the men will want to wear them both on and off the diamond. They will be grey with an almost invisible stripe of red and are as stout serviceable and attractive. The shirts are of the new collarless style with red trimmings, and the caps and stockings will also be of that color. Taking it all together it will be hard to find a better uniform than the proposed one, anywhere.

The Minstrel Show

It is the intention of the management of the club to hold an amateur minstrel show in the near future. Holly Sheppard, a well known minstrel man is now being communicated with, with every prospect of landing him, to train the local talent. A performance of this kind should draw capacity houses and the proceeds will be devoted to new outfits for the ball players. Mr. and Mrs. Sheppard have just finished giving an amateur performance at Alpena, Mich., under the auspices of the Elks of that town and the Alpena "Era" certainly hands the pair of them some hearty eulogiums. It is, in any case, possible Holly will come to Edmonton to help out the local boys and should be successful in whipping the Edmonton minstrel talent into good shape.

## CHINESE TAKE UP HOCKEY

Wild Yarn from Ottawa says that Even the Laundrymen Have Organized a League—Call it Shirt Circuit

Who ever heard of a Chinaman playing hockey outside of the young Celestial who figured in the Aylmer juvenile team last winter?

Yet the game is taking hold of the Orientals in the capital. Two local laundrymen whose names sound like the first stages of a bronchial cough, have invested in a pair of hockey skates and were as much a source of interest yesterday as the players through the streets with their skates as the advance party of a circus.

When the Chinaman adopts European articles for his own use, he wants none but the best. He is not a "cheap chaz." "Get that jobber down," and such encouraging remarks transposed into Chinese, would certainly leave an opponent in the dark as to what was coming to him. An ordinary Chinaman could beat the best doggerel college at the post.

Next to Cliffside-Ottawa II. match a meeting between the runners up in the Capital Laundry League, which it is presumed will shortly be organized, would draw a capacity crowd to the Arena. Some years ago, when bicycle racing provided the big drawing card in summer athletics, a promoter arranged a race for Chinamen. As a laugh producer it was a scream. Turning into the stretch the leaders collided and fell. Cheong Hoo, or some such celebrity, was just within the distance flag at the moment, and urged on by the hilarious crowd, spurred desperately for the money. But as his eyes fell upon the sprawling figures of his fellow contestants, he lost his nerve, his handle bars wobbled unceremoniously, and in a second he was launched into a voluble argument on the ground as to who caused the mix-up. All bets and the race were called off—Ottawa Free Press.

Next to Cliffside-Ottawa II. match a meeting between the runners up in the Capital Laundry League, which it is presumed will shortly be organized, would draw a capacity crowd to the Arena. Some years ago, when bicycle racing provided the big drawing card in summer athletics, a promoter arranged a race for Chinamen. As a laugh producer it was a scream. Turning into the stretch the leaders collided and fell. Cheong Hoo, or some such celebrity, was just within the distance flag at the moment, and urged on by the hilarious crowd, spurred desperately for the money. But as his eyes fell upon the sprawling figures of his fellow contestants, he lost his nerve, his handle bars wobbled unceremoniously, and in a second he was launched into a voluble argument on the ground as to who caused the mix-up. Any married or single lady or gentleman, girl or boy, of any age residing in Edmonton or Strathcona, or within the circulation zone of The Daily Capital, Saturday News or Alberta Homestead is eligible to enter the contest. It is not necessary to be a subscriber or even to subscribe for either of the above papers in order to become a candidate.

Candidates may nominate themselves, or may be nominated by their friends.

The Contest Department reserves the right to reject any nomination, without giving any reason therefor, or to change any rule for cause.

No member of employer's family or employees of The Daily Capital, Saturday News or Alberta Homestead, or members of employees' families will be eligible as a candidate.

### THE VOTING

The voting will be done by coupons clipped from the Daily Capital, Saturday News and Alberta Homestead and by certificates issued upon the payment of a subscription to the above papers. The coupons will be published in the Daily Capital, Saturday News and Alberta Homestead, and will be good for votes when neatly cut out, name of candidate filled in and brought or mailed to the contest department before the expiry date upon them. Certificates for votes will be issued as per schedule, published elsewhere in this announcement.

Votes cannot be bought, but are issued free when asked for when subscriptions are paid.

Candidates will be allowed to accept subscription money and give temporary receipts therefor. When the money is turned in at the Contest Department, a regular receipt will be given or mailed to the subscriber.

### THE DISTRICTS

Each district is separate and distinct in itself, and the vote cast for candidates in one district has no bearing whatever upon the number of votes cast for candidates in other districts, except so far as the grand prizes are concerned. The grand prizes will be awarded to the two candidates receiving the greatest number of votes, irrespective of district. The district prizes will be awarded to the highest voters in each district (not winning a grand prize). The candidate having the highest vote will be allowed first choice, the one having second highest vote second choice, and so on. Grand Prize winners are not eligible to win a district prize, as no candidate will be allowed to win two prizes.

Candidates may compete from where they reside or where they are employed.

Votes are not transferrable.

Candidates may solicit subscriptions in other districts than the one from which they compete, or any place in the postal union.

### AWARDING OF PRIZES

At the close of the contest the returns will be counted by a committee of well-known business men from the various districts.

The decision of the Contest Committee in making awards shall be final and conclusive.

All contestants in accepting nomination must agree to the above rules and regulations.

In the event of a tie between two candidates for any of the prizes, the value of such will be equally divided or another prize of equal value added.

### WHAT DO YOU DO WHEN YOU ENTER

The first thing to do is to enter your name as a candidate. Then either call or phone the Contest Department for receipt book and supplies. Ask for more than one receipt book if you have friends who will work for you. Then let your friends know that are in the contest and request them to save their votes for you.

### HOW TO WIN A VALUABLE PRIZE

Send in your nomination. You will find a nomination blank at the bottom of this advertisement. The nomination blank is good for 1,000 votes, which gives you a fine start.

Then enlist the aid of your friends and neighbors. Let everyone know you are a candidate before they promise their help to a more enterprising candidate.

## EDMONTON IRISH ASSOCIATION

At the regular meeting of the Edmonton Irish Association on Wednesday evening a paper was read by Mr. A. J. Latourneil, city engineer, on the Pigeon Lake water system. There was a large attendance to hear this paper on a subject of vital interest to every good citizen. Mr. Latourneil explained very clearly and concisely the benefits to be derived from the gravity system, likewise the probable disadvantages of the scheme. He compared the cost of pumping in the different cities of Canada and the United States and showed how the results were figured out, also giving a resume of the present pumping plant of this city and how it is maintained.

One of the most striking features of his paper was its impartiality in dealing with the present arrangements for pumping and conveying them with the proposed gravity scheme.

The chairman in replying to the paper and returning a vote of thanks on behalf of the Association paid tribute to the cool and collected manner in which Mr. Latourneil replied to the many questions put to him.

This is the first of a series of papers to be given at meetings of the Association and goes to show that the committee are trying to carry on the object of the literary end of the club, to educate members into taking an intelligible interest in municipal and local affairs.

There were twenty-seven new members admitted to the association last night which speaks well for the efforts of the members in canvassing those not connected with it. Tickets were issued on sale for the St. Patrick's Night celebration which according to the programme arranged for, promises to be a gigantic success.

## Y.M.C.A. BOYS "AT HOME"

Yesterday was "Opening of Boys' Rooms" at the Y.M.C.A., and a large number of the boys, their parents and friends, availed themselves of the opportunity for inspecting the newly furnished boys' department. The exhibition of stamps, picture postcards, curios, etc., in the gymnasium gallery was particularly interesting, and several splendid exhibits were made. Many boys witnessed the gymnasium class of school boys in the afternoon, visited the different exhibits and enjoyed the games in the boys' rooms, which evening the parents and friends of the boys turned out in large numbers to inspect the boys' department which is now well equipped to handle a large number of the rising generation. The new side entrance to the building and the new stairways connecting all of the boys' rooms are a big improvement at the work will now be centralized and much easier supervised. New games have been added, new magazines secured, and the two new rooms which have been taken over by the boys for a parlor and reading room have been well furnished. All these changes have been made possible by the generosity of citizens generally during the boys' campaign, put on before Christmas. Heartly approval of the changes and improvements were expressed on all sides by those who visited the boys' rooms yesterday.

The evening's programme consisted of basketball games in the gymnasium and a concert in the game room. In the first game between two picked up

## CHILDREN'S AID SOCIETY

Shelter Secured for the Children on Cameron Street—Sergeant Webb and Mrs. Webb will be in Charge by 1st of March

A meeting of the board of management, of the Children's Aid Society of Edmonton and Strathcona was held in the Y.M.C.A. rooms yesterday afternoon, Mr. Alex. Stuart, the president in the chair.

The officers were able to make very satisfactory reports as to the progress of organization and the carrying on of the beneficent work which they have undertaken.

After much investigation of houses in various parts of the city one on Cameron street belonging to Mr. D. R. Fraser has been selected as very suitable for a home or "Shelter" as it is technically called. The society deem themselves fortunate in having secured their present residence on Heimlich street to their new home on Cameron street on the first of March.

The society having taken over the work of the Edmonton creche, Mrs. Conley, the president, was able to report the transfer to the society, along with the infants in their charge, of about the sum of thirty dollars and a considerable quantity of furnishings such as coats, bed clothing and other articles.

The report of the agent showed that there had been during the three weeks of the existence of the home twenty-five children in charge and there are now on hand eighteen children, the others having been provided with foster homes through the provincial agent, Mr. Chadwick.

The Edmonton council having made the initial grant asked by the society, the board appointed a committee consisting of the president, the treasurer (Mr. Collinson), Mr. Crafts, Mr. J. R. Lavell, Prof. Alexander, Mr. J. H. Thom and Mr. Blue the secretary, to interview the Strathcona council and obtain from them their proportional contribution to the funds of the society.

The president, treasurer and secretary were appointed a committee to co-operate with others in inaugurating a campaign to raise funds to carry on the work, and Mrs. Cantley, Mrs. Ferris, Mrs. Cashman, Mrs. Jamison and Mrs. Douglas were appointed a house committee to direct the internal economy of the Shelter.

Teams captained by Agar and Armstrong, the latter won with a score of 25-15. In the senior series Cullen's Kids defeated the Comets with a score of 42-31.

The following musical programme was carried out, with Mr. Sam Short, one of the members of the Boys' Work Committee in the chair:

Phonograph selections, Mr. Seward; chairman's address, Mr. S. Short; piano solo, Mrs. Bartley; vocal solo, Miss S. Taylor; reading, Miss Zella Howe; piano solo, Mr. Fulton Gillespie; vocal solo, Mr. Fred Wells; presentation of prizes, Mr. H. Gilbert; vocal solo, Mr. Waggon; piano solo, Mrs. Bartley.

(Continued from Page Three.)

### SPARKLETS

#### Glints From the Sporting Anvil

Come to think it over Buffalo produces quite a few ball players of prominence. The following well-known players hail from Bismarck: Jimmy Collins, George Hunter of the Brooklyn, Billy Milligan of Jersey City; Jack Barry, Milwaukee; Thompson, a sensational young twister drafted from Syracuse by the Boston Americans; Lully, another promising young dinger, drafted by McGraw from the Springfield L-I-L League team; Russell, a heavy-hitting outfielder, for the past two seasons, with Jess Barckett's Worcester team; Senno, another outfielder, with Ottumwa; and Mickey Corcoran with Montreal, and Zacher, outfielder and heavy sicker drafted by the New York Nationals from New Haven.

Five years ago Edward Konechy, the Cardinals' first baseman and star slugger, was a candy-maker, in La Crosse, Wis. Eddie earned \$30 a month making chocolates and thought he was doing well. He played baseball for fun and soon became recognized as a star among the amateurs of La Crosse. In the spring of 1905, when Konechy was nineteen years of age, "Pink" Hawley acquired control of the La Crosse ball team and Konechy's real baseball career began.

Speaking of the Halleybury-Renfrew game an exchange says:

"Renfrew presented another change in their line-up. Fred Whitcroft going over to left wing, while Lester Patrick made his reappearance as rover, the change further strengthening the team. Whitcroft played beautiful hockey along the boards while Patrick was the star of the game at rover, scoring three of Renfrew's goals. Taylor and Frank Patrick were also conspicuous.

Jack Gordon, of the J. H. Morris Co., has left town and will go into business in Lethbridge.

Walter Johnson, star pitcher of the Washington Club, says that McKeen need have no fear that he will injure himself pitching games on the coast this winter. "I don't extend myself," explains the slab artist, "and the pitching I do is little more strenuous than gymnasium exercise. Besides, it keeps me in good condition."

Apparently the clause in the new contracts prohibiting noble pastimes from indulging in indoor baseball is not worrying them much. Johnny Evers, Eddie Collins, Billy Keeler, Jack Kleinow and Tim Jordan haven't as yet quit Andy Conkley's team, and Christy Mathewson, Hal Chase and John Miller are carded to play right along.

It is announced that Mike Donlin will play right field for New York this year.

Johnny Kling will not play ball. Johnny Kling will, too! Johnny Kling will catch again.

Johnny Kling is through: Johnny Kling's a wise young geek, Johnny Kling's a fool; Johnny Kling will Kling to that Klinging game of pool. Johnny Kling's name is a sign, Certain sure, of spring, Johnny Kling, all fame is thing, Oh! You Johnny Kling!

—Exchange.

Woman, says Mrs. Frances Squires Potter, will "turn the other cheek for the smite." Also for the smack, bless her!

Shortly after the disasters ran of bad luck three seasons ago, the Boston team arrived in Chicago for a series of games, and, as is the custom of the American league managers, Jimmy Collins, then manager, paid President Johnson a visit. "Well, how did my umpires treat you while you were losing all those games?" was Mr. Johnson's opening question. "If we had done our work as well as the

umpires, we never would have lost so many games," was Collins' immediate reply. It was characteristic of the man.

In the Intercollegiate games last Friday night Varsity defeated Laval by 11 to 5, while old McGill scored an unexpected win over Queens at Kingston by 9 to 6. Score at half time was 4 to 1 in favor of the Red and White.

Eddie Collins, the former Columbus player, who last season ran Ty Cobb a close race for the batting average and base running honors of the American League, is putting in a busy winter. Last fall the Tarrytown boy went to the coast with the all-American team. Just as soon as he returned to the east, he received three offers—one to play indoor baseball, another to sell goods in the baseball department of a Philadelphia store, and another to contribute to a Quaker City newspaper. Collins accepted all three

offers, and is working about 14 hours a day.

"Nig" Clarke of the Naps refuses to catch a "spitter," while Harry Bemis, who has to do the receiving when a "spitter" is in the box, anything but relishes the job. Ira Thomas has nothing to do with the "spitters" at Philadelphia, as Paddy Livingstone has fallen heir to the job and Paddy frankly admits that there are lots of easier jobs than handling "spit" ball pitchers. Jack Kleinow of New York, Jimmy Stephens of St. Louis and a host of others have no love for the "spitter." Perhaps it's just a difference of opinion with Billy Sullivan on the majority end.

### EXCHANGE HAS OPTIMISTIC TONE

Members Gathered at Annual Meeting for Election of Officers—Will Co-operate with Other Bodies for Edmonton's Welfare

The first annual meeting of the Edmonton Real Estate Exchange, held in the council chamber last evening was marked by two things, the large attendance and the feeling of optimism pervading the members.

The work of the last year was satisfactory in the extreme and there is no doubt the new organization is a fixture in Edmonton.

The trend of the speeches was for continued co-operation with the Board of Trade in all matters and also for the extension of all assistance within their power to the parks committee in the work of beautifying the city.

President S. H. Smith was in the chair, and in his address gave a short history of the exchange and its objects. He spoke in a confident manner of the prospects for 1910.

A report was read stating, among other things that the exchange had improved the standard of business by enabling the public to get in touch with reliable dealers. Starting last June with a membership of 25, the president said he anticipated an increase for 1910 to the maximum of 40. An amendment would be introduced at the next meeting whereby it was proposed to admit bona fide real estate men of Strathcona to membership.

A recent decision of the supreme and district court judges, who ruled that all individual sales authorized by the board are to be subject to the findings of the exchange, was received with great satisfaction.

The financial report shows a balance on hand of \$2,371.26. Reference was made to listing the numbers of houses and also to curb stone brokers.

At a meeting of the new board of directors held at the conclusion of the annual meeting a hearty vote of thanks was tendered to A. G. Harrison, who in his former position as secretary of the Board of Trade, rendered the Real Estate Exchange many valuable services. A resolution of thanks to the whole board of trade was afterwards carried.

The election of officers for 1910 resulted in the following being elected: President—S. H. Smith, Vice president—F. W. Candy, Secretary-treasurer—Hamilton Martin.

Directors—J. St. Clair Blackett, A. L. Derrick, J. R. McIntosh, A. Hagar, W. J. Rolfe, J. M. McGuire.

Committees Publicity and legislation—H. Gilbert, J. R. McIntosh, A. L. Derrick, M. H. Low, R. Tegler, J. Morris, H. M. E. Evans, J. M. McGuire, D. J. McNamara.

Miles, has just returned from England, after a tedious journey over the ocean, owing to a breakage in the liner's machinery. He is closing out and completing certain business deals here, and will return to England shortly. He denies the report that he is leaving Canada for good, and expects to be back in time for the course of the year. is something that every citizen of the province rejoices in. For outdoor pleasures, Alberta offers the sunniest and brightest days of any province in the whole Dominion.

For indoor pleasures and for those who prefer music to outdoor enjoyments, they can enjoy the charms of music by owning a sophisticated organ either by Karm, Bell, Thomas and other makers at very low cost, as advertised by Geo. At an entertainment given by the Boys' Brigade in All Saints' School Hall on Tuesday evening, at which his honor the Lieut.-Governor and party were present, Archdeacon Gray outlined a wider sphere of activity for the brigade which he has been instrumental in organizing. He said a committee had been formed which contemplates getting together many outside boys of the city, forming them into a company or companies with a drill master, and then put a climax to the organization by adding a huge band. He said that military drill appealed to all youths and little trouble would be had in getting a willing band of boys. In conclusion he thanked the Daughters of the Empire, many of whom were present, for the generous assistance they had given the brigade.

## ALBERTA'S SECOND LEGISLATURE CONVENES

(Continued from page one.)

ficial recognition as the legitimate simon-pure leader is not difficult to guess. The chair immediately to the left of the speaker usually occupied by the leader of the Opposition was comfortably filled by R. B. Bennett, member for Calgary. Next to him sat George Howland, member for Okotoks, and one removed sat E. E. Michener, of Red Deer. Behind the member for Calgary sat C. M. O'Brien, the Socialist member for Rocky Mountain. The seat was significantly close to the leader of the Opposition, and to the main entrance or exit. To the right of the speaker sat the members of the cabinet with Premier Rutherford in the chair as the first member of the Legislature.

Arrangement of the House.

The arrangement of the seats was as follows:

Right of the Speaker, first row—Premier Rutherford, Hon. C. W. Cross, Hon. W. H. Cushing, Hon. Duncan Marshall, Hon. W. A. Buchanan, Hon. P. E. Lesard.

Second row—J. R. Boyle, Surgeon; W. H. Finkley, Medicine Hat; M. McKenzie, Chesholm; J. W. Woolf, Cardston, and John A. McDougall, Edmonton.

Left of the Speaker, first row—R. B. Bennett, Calgary; Geo. Howland, Okotoks; E. E. Michener, Red Deer; E. H. Riley, Gleichen; J. B. Holden, Vermilion; W. F. Puffer, Lacombe.

Second row—C. M. O'Brien, Rocky Mountain; Jos. Stauffer, Didsbury; Robt. Shaw, Steuker; Arch. Campbell, Innisfree; J. M. Glendinning, Nanton, and Bramley Moore, Lloydminster.

Rear, first row from left to right: Chas. H. Olin, Wesssukwin; John A. Simpson, Innisfail; R. W. McKenn, Pembina; Dr. Campbell, Ponoka; R. T. Telford, Leduc; F. A. Walker, Fort Saskatchewan; Chas. Stewart, Sedgewick; Geo. P. Smith, Camrose; L. M. Roberts, High River.

Second row—Peter Gunn, Lac Ste. Anne; J. A. McPherson, Spruce Grove; J. L. Cote, Lesser Slave Lake; J. A. Cornwall, Peace River; J. Boudreau, St. Albert; Colin Genge, Macleod; A. J. McLean, Taber; Dr. Warnock, Pincher Creek.

Today's proceedings were purely formal. The House will meet tomorrow at three o'clock, but will probably not assume a business attitude until Monday.

## The World of Amusement

San Francisco Opera Company.

There was a well-filled house at the Empire last evening to witness the combined attraction of an all-star grandstand bill and the San Francisco Opera Company in "The Strollers."

Teddy Webb's aggregation are quite at their best in this opera, and the diminutive comedian had the audience in fits of laughter all evening by his nonsensical actions. Young was well supported by Amy Leicester as the other sister. Russell Powell as the jailer had an opportunity for two splendid songs which he rendered in his very best voice, and James Stevens was also on hand with a couple of song hits. A trio between Edith Young, Howard Winton and Sidney Howard, entitled "Flirtation" was a very nice piece of work. Indeed, the work of the vivacious Edith as Mim, a ballet dancer, was excellent throughout.

The sang opera will be put on again this evening and is well worth seeing. The company has been greatly strengthened since its last appearance in Calgary and its quite capable of giving any of their repertoire a meritorious presentation.

## "THE MASCOOT."

Friday and Saturday matinee and night the San Francisco Opera Co. will present a revival of "The Mascot" (La Mascotte). James Stevens, the truly splendid baritone, is considered one of the best figures that ever sang the part; Edith Young is the daintiest and most graceful of Bettinas. Miss Young was considered for this part in the big revival of "The Mascot" at the New Amsterdam Theatre, New York, but Phyllis Zabala, wife of Canadian Hinchcock, secured the coveted position. Teddy Webb as Lorenzo and Dan Posing as Farmer Rocce are a comedy pair that would be "hard to equal. All the other parts will be in capable hands, and "The Mascot" will undoubtedly be given the reception it deserves at the hands of our theatregoers.

## THE DAY IN STRATHCONA

Budget of News from the City on the South Bank of the River

Band at the rink tonight.  
Yesterday being Ash Wednesday, all the city schools were closed.

J. T. Weir has closed down his business and will leave for his new home in Kamloops in a few days. Crawford and Weeks are selling out their grocery store and are going out of that line of business.

Dr. Alexander and Dr. McEachern of the University left yesterday for the southern part of the province, where they will deliver Extension lectures.

The mock parliament of Alberta University will meet on Tuesday, February 15 in the Assembly Hall. The premier is Mr. L. Y. Cairns and leader of the opposition Mr. A. J. Law. Mr. M. Fife will act as lieutenant-governor and will deliver the speech from the throne.

Miss Constance Buck sang "In Thee, O Lord, do I Put My Trust," and later by request "O Rest in the Lord," taken

from Mendelssohn's "Elijah." Mr. A. McLean rendered "Jernusalem" with great feeling, and N. V. Joyce excelled himself in "King David's Lament." The anthem selections were particularly fine.

The following names were inadvertently omitted from the University examination published yesterday:

## GEOMETRY SCIENCE.

Class I.—M. Brown; C. W. Rice. Class II.—H. M. Perron; J. F. C. Sells; J. W. Doe. Class III.—W. S. Hyssop; L. E. Harris; I. Grierson; P. Hotchkiss; J. W. MacQueen.

In the Knox Presbyterian Church last evening the Choral Club of Knox Church gave a sacred concert. A large gathering was present to hear the entertainment and were exceedingly well pleased. The club deserves great credit for the manner in which it rendered the various selections. This is largely owing to the untiring persistence of

the leader, Mr. J. A. Bell. The soloists, all of whom are great favorites in the Twin Cities, acquitted themselves well and lived up to the high expectations of the audience.

In the University Assembly Hall last evening a large audience enjoyed immensely the first miracle play ever given in the city. The actors were Ruthenians from Edmonton. They gave one of their old plays under the direction of Mr. Komarenski. It was unique and fascinating. The interest of the large audience did not flag at any stage of the performance. The language was Ruthenian but the scenes and gestures explained the play fully. At the close a group of little girls sang in the Ruthenian and English language. All present decided that it was an evening long to be remembered. Dr. Broadbent introduced the play by a few well-chosen words about the custom of having miracle plays in Galicia. He also gave a brief description of the evening's play.

**Yes--You Can Buy Things More Cheaply at a Store That Advertises!**

If you were a merchant, would you rather sell a thousand yards of silk in a day, at profit of 10c, a yard, than to sell (without advertising) fifty yards, at a profit of 25cts, a yard?

Isn't it plain that in all such instances the buyer gets the benefit of the "volume of business" which advertising enables the merchant to do?

The money cost of a journey—long or short—by stage coach (not to count time, or comfort) was greater than that of a present day journey by railway. The "old ways" of doing things were not even CHEAPER.

The cost of things in an old-fashioned store nowadays is greater than in the progressive stores—the advertised stores. It's not even CHEAPER to patronize the non-progressive merchant—not to count the unwieldiness of helping make it possible for reactionary and non-progressive merchants to still "do business."
